**#espWilshire Business Spotlight: Black Dog Coffee**

5657 Wilshire Blvd. Los Angeles, CA 90036 | 323.933.1976

Our second **#espWilshire** business spotlight for July features **Black Dog Coffee**, a café that has been located next to the La Brea Tar Pits since 1998 and offers a variety of beverages, like ice blended coffee drinks and fruit smoothies. They also serve delicious and healthy sandwiches, wraps and salads (and recently added a [Quinoa Greek Salad](#) to their menu!) for breakfast and lunch. Take a look at their full menu [here](#).

Owner **Bradley Gold** named the café after his black Labrador Retriever and made sure his restaurant is dog-friendly too! "Part of the fun for me and I think fun for our customers is that we have a water dish outside. We also have a large container of dog biscuits on the counter."

On Fridays, a portion of your purchase will be donated to the Best Friends Animal Society.

Take the pledge to support local businesses during and after construction and if you spend \$25 or more at participating #espWilshire businesses, you'll be eligible to win up to \$1,000 in cash prizes!

Check out our **#espWilshire Summer Flyer** attached for a list of all participating businesses! You can also find more information on our website at [metro.net/eatshopplay](http://metro.net/eatshopplay).
